Dear Drummond

ELLENBROOK MASTERS HOME IMPROVEMENT STORE

As you know, Masters Home Improvement requires an outstanding quality concrete floor for their retail trading area which is highly polished and very flat and Rogers Concrete (Rogers) have played a vital role in achieving Masters goal's in this regard.

Rogers have now worked on every Masters Home Improvement Store in Western Australia and whilst the first store (Baldivis) and subsequent stores (Forrestdale and Bibra Lake) were good floors, the Ellenbrook Store is outstanding and by far and away the best finished floor I have borne witness to for Masters or for that matter anywhere. The floor is a clear contender and possible winner for the next Golden Trowel award and Rogers should be extremely proud of their efforts as a team and of the product they have delivered.

We look forward to working with you on the next Masters stores and wherever else we might cross paths in the future.

Yours Sincerely

A handwritten signature in blue ink, appearing to read 'Cameron Stone', with a long horizontal line extending to the right.
