

Build something great™

Date: 18 February 2013

Rogers Concrete Pty Ltd  
West Swan Rd  
West Swan, WA  
Attention: Drummond Rogers

Dear Drummond,

**Golden Trowel Award- World's Flattest Floor**

Boral Concrete WA congratulations on your Golden Trowel Award for the 'flattest floor'.

We wish you all the best for the 'flattest floor' submission to the Guinness world records in hope of setting a new world record for 2013.

This is an extraordinary achievement for Rogers Concrete taking on the world for top prize for flattest floor - in Ellenbrook Masters Store project. Boral is proud to have supplied concrete for this project.

We look forward to working with the professional team of Rogers Concrete on future projects, including the Joondalup Masters Store in January 2013.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Teo Prka".
